General Business: **Low attendance at our meetings was discussed.** A Vella proposed that the club do a club run somewhere to encourage people to come along. Members present talked it through and although it has its merits, we need more support from members and we need members to attend our meetings in stronger numbers, as in the last few months attendance has sometimes been as low as five and eight members. Any suggestions about improving attendance, or holding club activities etc. would be welcome.

Our club meetings are in very pleasant surroundings, where members can have coffee or tea, soft drinks, sandwiches (toasted) ice cream etc, operated by members of our club, yet we are currently experiencing low attendance. Just a sign of the times? with living at a faster rate is that why? We concluded the meeting with talk of cars and some laughter of course as usual.

Our next meeting is on the 11th December, so we would like to see you there.

Raffle: Not drawn.

Meeting Closed: 2.40 pm.
