Club Runs Louie Marinos raised the subject of car runs and that he would like to help in having one planned. In the past we have tried these events (before Louie had been a member) but response on the proposed day was not quite good as expected, so we haven't had any for some time, however we shall talk some more on the subject. Thank you Louie for offering to help organize a run.

Members talked about some of their experiences with cars of course. Not many fishermen in the club lol.
